ABSTRACT

This unit planning grid outlines nine standards for music education in grade two in Delaware schools. The standards listed are the following: (1) students will sing, independently and with others, a varied repertoire of music; (2) students will perform on instruments, independently and with others, a varied repertoire of music; (3) students will improvise melodies, variations, and accompaniments; (4) students will compose and arrange music within specific guidelines; (5) students will read and notate music; (6) students will listen to, describe, and analyze music and music performances; (7) students will evaluate music and music performances; (8) students make connections between music, the other arts, and other curricular areas; and (9) students will understand music in relation to diverse cultures, times, and places. Each standard lists performance indicators. (BT)
